

Urgent Neighborhood Alert

96-Unit Apartment Proposed for 117 Gammon Road with Access Via Acadia Court

*The Development would use an “escalator clause” to exceed zoning. Madison needs more housing but development should be sized correctly. We are asking the city to require any project to route onto **GAMMON, NOT ACADIA** and reduce the size and height appropriate for our neighborhood.*

Communicating now with the city makes the biggest difference. Visit acadiaunited.org for information on contacting city officials and email acadiaunited@gmail.com to receive regular updates.

Join us this **Monday, March 9, 6:00 pm** at John Muir School for the Parkwood Hills Community Association annual meeting. Our **Alder John Guequierre** and **Mayor Satya Rhodes-Conway** will be taking questions on District 19 issues, including this proposed 96-unit apartment.
